

TALENT THINK INNOVATIONS LLC/ THE ARISTOCRACY OF HR MEDIA KIT

PROFESSIONAL BIOGRAPHY

Chief Innovations Officer of Talent Think Innovations, LLC, HR Blogger and Founder of [“The Aristocracy of HR”](#), Recruitment, HR Technology, and Talent Management Strategist

Janine’s career spans eight years in HR and Recruitment. She holds a B.A. in Psychology from Hofstra University and five advanced human resources certifications from Cornell University’s School of Industrial and Labor Relations. Her HR travels have taken her through the world of pharmaceuticals, healthcare, staffing and now science R&D. Janine is a respected voice & leader in the HR community both among her peers and people she has had the good fortune to help.

It is through the trials and tribulations of her career travels and her passion for HR that she created [Talent Think Innovations, LLC](#) in January 2013. Her aim is to move the discipline of HR from being transactional and compliance focused to a discipline that is a catalyst for businesses to create innovative and smart cultures. The aim of Talent Think Innovations is to get businesses back to the basics of making talent their first priority. It is her belief that this one action- when done genuinely- will make for a productive and happy workforce.

Janine doesn’t just preach innovation-she lives it. A globally-known figure in the social media space, she contributes for [TLNT](#), [Performance I Create](#), and [TIRA News](#), where she isn’t afraid to tackle the obstacles and issues facing employers and employees alike. She has been quoted by [Maternity.com](#) , [SHRM](#) and [US News Careers](#). From [guest hosting Twitter chats](#) to [webinars](#), she proves that innovative HR has value and is fast becoming the new business imperative.

TALENT THINK INNOVATIONS, LLC/ THE ARISTOCRACY OF HR

Talent Think Innovations, LLC is a unique HR consulting/advisory business started by Janine in January 2013. After years of working as an HR practitioner, she has decided to correct the inefficiencies that all too often happen in business. She accomplishes this by creating a simple model that helps businesses put their talent first, while fostering smart processes, policies and practices in cultures that champion innovation at all levels. These three timeless business imperatives are what Janine regards as “[the trinity that every business should adopt](#)”.

Her offerings are grounded in Talent Management and HR Technology service offerings for a variety of client needs.

Much of the ideals that are behind the creation of Talent Think Innovations, LLC have been spoken about weekly on her globally recognized blog “The Aristocracy of HR”.

The Aristocracy of HR (TAOHR) is a HR blog that was created in September 2011 to discuss Talent Management triumphs, blunders, and best practices. Janine also known as "CzarinaofHR" on the blog provides the "look and feel" of a true Aristocratic HR society or as her motto says " HR otherwise would be uncivilized". Managing people comes with complexities. “The Aristocracy of HR” provides weekly relevant and thought provoking commentary on all things HR to help leaders and employees improve their craft.
